Flavored Cappuccino

For Vending Machines

Our Flavored Cappuccino's are some of the best vending products available. They contain only the finest ingredients to ensure a rich, creamy cup every time. By matching the profile, not the price of national brand leaders, Dure foods is the cappuccino of choice. Customers come to us for price, they come back for the quality.

PRODUCT	PRODUCT CODE	CASE WT. LBS.	L	W	H	CASE CUBE	PACK SIZE	UPC CODE	PALLET PATTERN		
									TIE	HIGH	TOTAL
Dure - 6 Flavors		13	9.94"	8.69"	7.44"	.37	6-2lb pouches		20	5	100
Durelicious - 4 Flavors		13	9.94"	8.69"	7.44"	.37	6-2lb pouches		20	5	100

Vending Machine Recommended Usage:

24g per 8 oz. cup • 38 Servings / Pouch • 228 Servings / Case
(6 oz. of water)

Throw:

Dure Cappuccinos have the same density as the market leaders and can be substituted without machine adjustment.

Automatic Dispensers:

Set the dispenser to throw 6 grams for every ounce of water i.e. 24g per 6 oz. of water.
